ROBLOX also offers badge packages; however there is no way of transferring badges between games. ROBLOX has other games such as "Roblox Heroes", "Roblox D&D", and "The Guild 2" (releasing on December 14, 2021).

On July 3rd, 2021, ROBLOX announced that they were no longer allowing people to make custom models for their games. Instead, they would be allowing users to build blocky models that could not be edited at all. They stated that this would prevent the creation of custom models and save money by preventing expensive data transfers.[22] The change was made in order to clean up the game because custom models complicates the "Roblox experience" in some cases.

The news has attracted mixed responses from users. Some believe it's an improvement since it's more reliable, and fixes most of the bugs that caused users to constantly lose their work. Others think that it is useless due to the fact that ROBLOX Studio randomly changes collision methods and there are no descriptions on how to remedy this problem. Some have even started questioning how Roblox handles the games they host as well as some of their policies towards adult players/contents, and other problems like spam bots.

ROBLOX has been criticized many times since its creation. Many users have been dissatisfied with ROBLOX's in-game currency system which involves real money transactions. The price of things such as hats and shirts can be absurdly high, which causes some users to scam others out of their money. This can discourage people from making positive contributions to the game due to its poor reputation among many players.

On May 8, 2021, Builder's Club was released for mobile devices. Users can build games on their mobile device and upload them to the catalog. Users can now play on their devices and make money by selling their games. This was the first time a platform has allowed mobile users to make money from their creations. Also in this year, ROBLOX announced that they were giving all accounts \$1 million of Robux for free (for a limited time).

Roblox provides wireless headsets in the form of headphones and microphones. This enables players to communicate through the game, chat with other Roblox users, and play games with other players. In some online games, players are able to play "mini-games" such as "Horseball" that involve shooting a ball across the screen to attack another player. However, in Roblox, mini-games give physical feedback from hitting objects in the game world; for example, when they jump off a ledge in an abandoned mine shaft.

Even if you do decide to use the free robux promo codes for roblox, there are still risks involved. You should never share any information that can be used to identify yourself with other users in the website. A lot of people will not even want you to have these codes and they will always try to find a way to get them from you. You can easily detect who they are because they will always ask you for the code even if it is against the rules in Roblox itself. They will also tell their friends about how they managed to get a code and ask them if they want this one as well. You can easily avoid these people by knowing where you got your code from and who gave it to you.
