Coin Master was generally received well by reviewers. Some praised the concept, artwork and its ability to provide both entertainment and nostalgia. Joystiq referred to it as a "trippy looking game" in their review. This sentiment was echoed by Gametrailers who referred to it as "unique". Other critics felt it was too similar to other games, especially "Tetris" and its clones, which were described as being overplayed in general.",

Great game by Coolmomof2 on 2021/04/25 18:50 This is an awesome word game! It is just like any other word game out there except for one thing. You can play multiple word games at a time. I like that because it doesn't make you feel like you have to stop playing just to start another game. It is my favorite word game right now. I love it!",

The rules are simple: 1) Start or join an existing chain with two coins in it (a small number). 2) When you have a chance to flip, flip your coin to make it land heads or tails. 3) If you flip your coin and it lands on heads, your chain will add one more coin. There are even leaderboards where we can view other players' statistics. Simply start a new game, then enter your name, and your stats will be added to the online leaderboard. Won't let me watch a video by Halvpony on 2021/11/24 22:17 This game is great. It's not the same as before because the coin and gem system but it's still fun to play and a good time waster. It's just that when I try to watch a video to get coins or gems, the ad never plays! I'll keep trying though because I love this game so much.",

Nice game by leonard2021 on 2021/12/27 22:34 I just got this game and even though I have not made much progress, it is fun to play. I like playing it at night because when you win it can be exciting. You can make all kinds of things happen with the farm and you will get better as long as you keep playing. Overall I would give it a five star rating but there are some things that should be changed one is that I would like it if we could buy more energy to play longer or if the maps were bigger so we could build more things in them. But besides that this game is fun and entertaining. I would recommend this game to anyone that likes farming or strategy games!",

Good but needs work by MadJoeDandy on 2021/02/16 14:50 Haven't played this in a while but seems like it hasn't been updated much since iOS 8 was introduced. There are a lot of ads but not the annoying adds found in some other games. I get that you need money to keep it running but includes really not necessary. The game is fun and it's OK. It's hard to get rid of those stupid ads though",

Ads by Abubaker94 on 2021/02/19 22:44 I love this game but with the way ads are it

seriously is unplayable. If you can get pass that it is a good game but the ads can be super annoying and I kind of regret getting this app when they made it. It's you get him for a couple minutes its gone, and it seems like they make more things per ad instead of making a easier lower level. I don't get it but you can have a good time while playing this game.",

Good game by Kiyaa on 2021/11/14 17:12 This game is fun and addictive and perfect for passing time but there are some glitches with the game. First off, when an item goes out of stock, you can spend hours or days trying to get back into the item. Secondly, the cheating needs to be fixed. You can see when someone has low health and attack them. They have the option to block you, but they can still win. There is nothing you can do about it. Third, the spells and potions aren't really useful. The spell usually only goes through to your opponent one time so that's pointless. The potions are also very expensive and don't really do much of anything for you. Lastly, I would like it if there were some way to get more coins because when there are special items that cost 2021 or more coins I have to spend an entire day saving up for them. It really gets old once you get more coins than everyone else.",

Awesome game, but.. by Rachel dY•• on 2021/08/03 17:48 This is a great game!! I've been playing it for months now and I still have no words left! You can also do timed puzzles which is always super fun. However, I hate that you have to wait a certain amount of time before you can do another level. That's stupid and I really don't understand why anyone would want to do that!",
